

## End User License Agreement (EULA)

**Last Updated:** 20<sup>th</sup> October 2025

Drone-Hacks application (be it mobile or desktop) is licensed to You (End-User) by Skymod Technologies LTD located and registered at 71-75 Shelton Street, Covent Garden, London, WC2H 9JQ, United Kingdom ("**Licensor**"), for use only under the terms of this License Agreement. Our VAT number is GB504169509. By downloading the Licensed Application from , and any update thereto (as permitted by this License Agreement), You indicate that You agree to be bound by all of the terms and conditions of this License Agreement, and that You accept this License Agreement. referred to in this License Agreement as "**Services**."

Drone-Hacks when purchased or downloaded through the Services, is licensed to You for use only under the terms of this License Agreement. The Licensor reserves all rights not expressly granted to You

### 1. The Application

Drone-Hacks (v1, v2 and mobile) ("**Licensed Application**") is a piece of software created to Provide assistance in the modification and diagnostics of drones, ensuring all activities comply with applicable laws and regulations and customized for mobile or desktop devices ("**Devices**").

It is used to provide assistance in the modification and diagnostics of consumer drones, ensuring all activities comply with applicable laws and regulations.

The Licensed Application is not tailored to comply with industry-specific regulations (Health Insurance Portability and Accountability Act (HIPAA), Federal Information Security Management Act (FISMA), etc.), so if your interactions would be subjected to such laws, you may not use this Licensed Application. You may not use the Licensed Application in a way that would violate the Gramm-Leach-Bliley Act (GLBA).

### 2. Scope Of License

**2.1** This license will also govern any updates of the Licensed Application provided by Licensor that replace, repair, and/or supplement the first Licensed Application, unless a separate license is provided for such update, in which case the terms of that new license will govern.

**2.2** You may not reverse engineer, translate, disassemble, integrate, decompile, remove, modify, combine, create derivative works or updates of, adapt, or attempt to derive the source code of the Licensed Application, or any part thereof (except with Skymod Technology LTD's prior written consent).

**2.3** You may not copy (excluding when expressly authorized by this license and the Usage Rules) or alter the Licensed Application or portions thereof. You may create and store

Skymod Technologies LTD is a company registered in England and Wales.

Registered number: 16779388

VAT ID: GB 504169509

ICO Registration: ZC012998

Registered office: 71-75 Shelton Street, Covent Garden, London, WC2H 9JQ

copies only on devices that You own or control for backup keeping under the terms of this license, the Usage Rules, and any other terms and conditions that apply to the device or software used. You may not remove any intellectual property notices. You acknowledge that no unauthorized third parties may gain access to these copies at any time. If you sell your Devices to a third party, you must remove the Licensed Application from the Devices before doing so.

**2.4** Violations of the obligations mentioned above, as well as the attempt of such infringement, may be subject to prosecution and damages.

**2.5** Licensor reserves the right to modify the terms and conditions of licensing.

### **3. Technical Requirements**

**3.1** You acknowledge that it is Your responsibility to confirm and determine that the app end-user device on which You intend to use the Licensed Application satisfies the technical specifications mentioned above.

**3.2** Licensor reserves the right to modify the technical specifications as it sees appropriate at any time.

### **4. Maintenance & Support**

Skymod Technologies LTD and the End-User acknowledge that the Services have no obligation whatsoever to furnish any maintenance and support services with respect to the Licensed Application.

### **5. Use Of Data**

You acknowledge that Licensor will be able to access and adjust Your downloaded Licensed Application content and Your personal information, and that Licensor's use of such material and information is subject to Your legal agreements with Licensor and Licensor's privacy policy, which can be accessed by Website footer.

You acknowledge that the Licensor may periodically collect and use technical data and related information about your device, system, drone and application software, and peripherals, offer product support, facilitate the software updates, and for purposes of providing other services to you (if any) related to the Licensed Application.

Licensor may also use this information to improve its products or to provide services or technologies to you, as long as it is in a form that does not personally identify you.

The Licensor may use the collected information to perform security analyses and to identify potentially malicious activity.

The Licensor reserves the right to transmit logs generated by the Licensed Application to its servers without prior notice, for the purposes of security assessment, diagnostics, and product improvement.

Diagnostic data may be processed by trusted third-party analytics and monitoring providers, including PostHog and Sentry, solely for the aforementioned purposes. Such data is never sold or shared for advertising or unrelated commercial purposes.

## 6. Contribution License

You agree that we may access, store, process, and use any information and personal data that you provide following the terms of the Privacy Policy and your choices (including settings).

By submitting suggestions of other feedback regarding the Licensed Application, you agree that we can use and share such feedback for any purpose without compensation to you

## 7. Liability

**7.1** You fully understand and acknowledge that you voluntarily accept full legal and technical responsibility for any consequences arising from using the Licensed Application.

**7.2** Drone-Hacks.com (Skymod Technologies LTD.) and its affiliates are not responsible for any damage, loss, or legal consequences that may result from using our License Application or following any instructions provided on our website. You assume full responsibility for any actions taken using these tools and for any outcomes that result from such actions.

**7.3** We do not provide legal advice and assume no responsibility for illegal use of our tools.

**7.4** You are solely responsible for ensuring that your use of the License Application complies with:

- Local, regional, and national aviation laws,
- Radio frequency regulations (e.g., CE/FCC),
- Restricted and controlled airspace usage (NFZ),
- Export control laws (where applicable).

If you are not compliant, you should stop using the License Application immediately.

**7.5** Switching transmission mode from CE to FCC may violate local law. Enabling FCC power levels is only legal in jurisdictions where such transmission is permitted.

Improper use may result in regulatory penalties or legal prosecution. You assume all risk and legal responsibility for attempting to use FCC in a non-FCC compliant country.

**7.6** You agree to indemnify and hold us harmless, including our developers, owners, affiliates, and partners, from:

- Any legal claims,
- Regulatory actions,
- Losses or damages,
- Fines or penalties, arising out of or related to your use or misuse of our software or services.

**7.7** Licensor takes no accountability or responsibility for any damages caused due to a breach of duties according to Section 2 of this License Agreement.

To avoid data loss, You are required to make use of backup functions of the Licensed Application to the extent allowed by applicable third-party terms and conditions of use.

You are aware that in case of alterations or manipulations of the Licensed Application, You will not have access to the Licensed Application..

## 8. Warranty

**8.1** Licensor warrants that the Licensed Application is free of spyware, trojan horses, viruses, or any other malware at the time of Your download. Licensor warrants that the Licensed Application works as described in the user documentation.

**8.2** No warranty is provided for the Licensed Application that is not executable on the device, that has been unauthorizedly modified, handled inappropriately or culpably, combined or installed with inappropriate hardware or software, used with inappropriate accessories, regardless if by Yourself or by third parties, or if there are any other reasons outside of Skymod Technology LTD's sphere of influence that affect the executability of the Licensed Application.

**8.3** You are required to inspect the Licensed Application immediately after installing it and notify Skymod Technology LTD about issues discovered without delay by email provided in Contact Information. The defect report will be taken into consideration and further investigated if it has been emailed within a period of three (3) days after discovery.

**8.4** No warranty is provided for the Licensed Application in the event it ceases to function on a device due to reasons beyond the control of Skymod Technology LTD, including but not limited to device compatibility issues or updates to the device's operating system.

**8.5** The Licensor provides no warranty for the Licensed Application. All components of the Licensed Application are provided "as is" without any warranties of any kind, express or implied

## 9. Legal Compliance

You represent and warrant that You are not located in a country that is subject to a UK Government embargo, or that has been designated by the UK Government as a "terrorist supporting" country; and that You are not listed on any UK Government list of prohibited or restricted parties all as listed on the UK Government website (<https://search-uk-sanctions-list.service.gov.uk/>)

## 10. Contact Information

For general inquiries, complaints, questions or claims concerning the Licensed Application, please contact:

- **Email:** [support@drone-hacks.com](mailto:support@drone-hacks.com)
- **Post:** Skymod Technologies LTD, 71-75 Shelton Street, Covent Garden, London, WC2H 9JQ

## 11. Termination

The license is valid until terminated by Skymod Technologies LTD or by You. Your rights under this license will terminate automatically and without notice from Skymod Technologies LTD if You fail to adhere to any term(s) of this license. Upon License termination, You shall stop all use of the Licensed Application, and destroy all copies, full or partial, of the Licensed Application.

## 12. Third-Party Terms of Agreements & Beneficiary

Skymod Technologies LTD represents and warrants that Skymod Technologies LTD will comply with applicable third-party terms of agreement when using Licensed Application.

## 13. Applicable Law

This License Agreement is governed by the laws of England & Wales excluding its conflicts of law rules.

## 14. Miscellaneous

**14.1** If any of the terms of this agreement should be or become invalid, the validity of the remaining provisions shall not be affected. Invalid terms will be replaced by valid ones formulated in a way that will achieve the primary purpose.

Skymod Technologies LTD is a company registered in England and Wales.

Registered number: 16779388

VAT ID: GB 504169509

ICO Registration: ZC012998

Registered office: 71-75 Shelton Street, Covent Garden, London, WC2H 9JQ

**14.2** Collateral agreements, changes and amendments are only valid if laid down in writing. The preceding clause can only be waived in writing.

**14.3** The Company reserves the right to terminate or suspend access to the application at any time, without prior notice or liability, for any reason whatsoever. Additionally, the Company is not responsible for any disruptions or malfunctions of the application that may occur due to new firmware updates from the manufacturer. The user acknowledges and agrees that the Company's ability to maintain the functionality of the application is dependent on the manufacturer's firmware, and as such, the Company cannot guarantee continuous, uninterrupted, or error-free operation of the application.
